

The 2017
**Forensic
Forums**

7th - 9th
March 2017
Location: **Online**

Forensic Forums 2017 will be an international three day event which will bring together those working in all aspects of forensic sciences. This year's event will discuss new research and case studies from a range of academic and discipline professionals. This forum will encourage the sharing of ideas and best practice among the delegates and presenters and will include an informal discussion session.
