

Innovations in Wound Healing and Wound Management

AGENDA

**31st January -
2nd February 2017
Location: Online**

EuroSciCon 

This event has [CPD accreditation](#)

Contents

Day 1: Management of Infections Part 1	4
Early Session.....	4
Euroscicon Welcome.....	4
Introduction by the chair	4
Enzyme-based antibacterials against skin infections.....	4
Day 2: Topical Treatments	5
Euroscicon Welcome.....	5
Introduction by the chair	5
The endometrium - a tissue that resolves a monthly 'wound' without scarring.....	5
Session Break	5
A review of the evidence on the advantages of using honey as a topical treatment of wounds and their relationship in clinical practice.....	5
Day 3: Management of Infections Part 2	6
Euroscicon Welcome.....	6
Introduction by the chair	Error! Bookmark not defined.
Wood nanocellulose – a natural component for novel biocomposite wound dressings	6
Matrix metalloproteinases in chronic venous insufficiency	Error! Bookmark not defined.

Day 1: Management of Infections Part 1

London GMT	New York EST	Tokyo JST		
Early Session				
07:15	02:15	16:15	Session online	Speaker practice session Poster Viewing
07:45	02:45	16:45	Euroscicon Welcome	Euroscicon Host
07:50	02:50	16:50	Introduction by the chair	Professor Karin Kogermann, University of Tartu, Tartu, Estonia
08:00	03:00	17:00	Enzyme-based antibacterials against skin infections. Q and A	Dr Yves Briers, Ghent University – Campus Schoonmeersen, Gent, Belgium
08:30	03:30	17:30	Development of novel antibacterial drug delivery systems for the local treatment of the wound infections Q and A	Professor Karin Kogermann, University of Tartu, Tartu, Estonia
09:00	04:00	18:00	Gut microbiota affects skin wound healing of mice by activating immune-endocrine-brain axis elements Q and A	Dr. Theofilos Poutahidis, Aristotle University of Thessaloniki, Thessaloniki, Greece
09:30	04:30	18:30	Closing remarks, End of Early Session	

Day 2: Topical Treatments

London GMT	New York EST	Tokyo JST		
13:00	08:00	22:00	Session online	Speaker practice session Poster Viewing
13:25	08:25	22:25	Euroscicon Welcome	<i>Euroscicon Host</i>
13:30	08:30	22:30	Introduction by the chair The endometrium - a tissue that resolves a monthly 'wound' without scarring	<i>Professor Philippa Saunders, Professor of Reproductive Steroids, Principal Investigator at The University of Edinburgh</i>
14:00	09:00	23:00	Honey; is it just for toast? A look at honey in the treatment of complex wounds. Q and A	<i>Mrs Sandra Phinbow, Institute of Biomedical Sciences - National Council member, Witney, United Kingdom</i>
14:30	09:30	23:30	Session Break	
15:30	10:30	00:30	A review of the evidence on the advantages of using honey as a topical treatment of wounds and their relationship in clinical practice Q and A	<i>Mrs Águeda Sena Carvalho, Faculty of Medicine University of Porto, Porto, Portugal</i>
16:00	11:00	01:00	Negative pressure therapy	<i>Mr Luc Teot, Montpellier University Hospital, France</i>
16:30	11:30	01:30	Vascular Evaluation in patients with ulcer of the lower extremities	<i>Dr Munier Nazzal, Professor at The University of Toledo Medical Center</i>
17:00	12:00	02:00	Closing remarks, End of Session	

Day 3: Management of Infections Part 2

London GMT	New York EST	Tokyo JST		
07:15	02:15	16:15	Session online	Speaker practice session Poster Viewing
07:55	02:55	16:55	Euroscicon Welcome	<i>Euroscicon Host</i>
08:00	03:00	17:00	Wood nanocellulose – a natural component for novel biocomposite wound dressings Q and A	<i>Dr. Gary Chinga Carrasco, Paper and Fibre Research Institute (PFI), Trondheim, Norway</i>
08:30	03:30	17:30	Using Light as a Drug: Low dose biophotonics therapy promotes wound healing by activation of latent TGF-beta 1 Q and A	<i>Professor Praveen R. Arany, University at Buffalo, Buffalo, NY, United States</i>
09:00	04:00	18:00	Approach to vascular ulcer Q and A	<i>Professor Ajay Kumar Khanna, Institute of Medical Sciences, Banaras Hindu University, Varanasi, India</i>
09:30	04:30	18:30	Vascular endothelial wound healing and its regulation by substrate topography Q and A	<i>Professor Abdul I. Barakat, Ecole Polytechnique, Palaiseau, France</i>
10:00	05:00	19:00	Closing remarks, End of Early Session

Missing Speakers

It is unfortunate that occasionally a speaker cannot attend. Whilst we do everything possible to ensure that our speakers are present at the event we apologise in advance if you were at a session where a speaker could not attend. We always try to keep our agendas as up to date as possible, however if a speaker cancels the night before an event or on the day, there is little we can do to rectify this.
